Summary: When time goes out of order, it's up to Jack Frost to go back in time to fix this. Jack must gather 3 unlikely friends to save time, hiccup, rapunzel and Merida. Will they be able to Fix time and bring balance back in the universe or will they all be destroyed?

The Time Paradox Trilogy

My name is Hiccup Horrendous Haddock the third and I'm a dragon trainer. I live on the isle of Berk, with my father and Toothless. Things started looking up for Toothless and I. I was starting to be accepted for who I was and Toothless wasn't looked as a monster anymore. Yet, something was wrong. The Dragons seemed on edge. It was strange but I would soon get to the bottom of it.

><p>My name is Rapunzel and I'm Magical. I have long golden hair that glows when I sing. It also has the ability to heal the wounded. I live in a tower with my mother, and well, Pascal too. I have never seen the outside world. Mother says people will use me for my powers. She says the outside world is evil. Soon, though, I was about to learn that she was not entirely right. Soon, I will meet the most amazing people ever.<p>

><p>My name is Merida and I'm a warrior. I live in a grand castle with my mother, father and 3 wee brothers. I recently saved my mum and the bear mordune was killed. Everything seemed to be going so well. Yet, looks are deceiving. Soon my whole world was going to be turned upside down.<p>

><p>My name is Jack Frost and I'm a guardian. The kids are fun and

the guardians aren't that bad to be around. Everything just seemed to be perfect, ever since we defeated Pitch. Lately, though, I've had a weird feeling in the pit of my stomach. I knew something was going to go down. This all started the day things appeared out of nowhere. The day when time was out of order.<p>
